Despatches from Admiral Poor, mention his arrival in the flag-ship Severn at Port-au-Prince, on February 9th. He had an interview with the provisional President and Cabinet of Hayti, and explained that pending the present negotiations between the United States and St. Domingo, this Government would protect the Dominicans against any hostile power. The Haytian authorities hoped that the friendly relations between the United States and Hayti would not be interrupted, and while aware of their weakness, knew their rights and would protect them to the best of their ability, and that they must be allowed to be the judges of their own policy. Poor heard, unofficially, that the authorities were displeased with what they considered the menacing attitude of the United States. Rumors, which proved unfounded, of a collision between a United States and Haytian vessel, had been in circulation. The United States steamer Dictator was also at Port-au-Prince.

Which KOSKOO has attained in all parts of the country,  
**As a Great and Good Medicine,**  
And the large numbers of testimonials which are constantly being received from Physicians, and persons who have BEEN CURED by its use, is CONCLUSIVE PROOF of its REMARKABLE VALUE.  
**AS A BLOOD PURIFIER**  
IT HAS NO EQUAL,  
BEING, POSITIVELY,  
**The Most Powerful Vegetable Alternative**  
Yet discovered.  
**DISEASES OF THE BLOOD.**  
"The life of the flesh is in the blood," is a Scriptural maxim that Science proves to be true. The people talk of bad blood as the cause of many diseases, and, like many popular opinions, this of bad blood is founded in truth.  
The symptoms of bad blood are usually quite plain. Bad digestion causes imperfect nutrition, and, consequently, the circulation is feeble, the soft tissues lose their tone and elasticity, and the tongue becomes pale, broad and frequently covered with a pasty white coat. This condition soon shows itself in roughness of the skin, then in ERYTEMATOUS diseases, and, when long continued, results in serious lesions of the Brain, Liver, Lungs or Urinary Apparatus. Much, very much, suffering is caused by impure blood. It is estimated by some that one-fifth of the human family are affected with Scrofula in some form.  
When the Blood is pure, you are not so liable to any disease. Many impurities of the Blood arise from impure diseases of large cities. Eradicate every impurity from the fountain of life, and good spirits, fair skin and vital strength will return to you.

**KOSKOO!**  
AS A  
**LIVER INVIGORATOR!**  
Stands unrivalled.  
Being the Only Known Medicine  
That EFFICIENTLY stimulates and CORRECTS the hepatic secretions and functional DERANGEMENTS of the LIVER, WITHOUT DEPLETING the system. While it acts freely upon the Liver, instead of copious purging, it gradually changes the discharges to a perfectly natural state.  
**Symptoms of Liver Complaint and of some of those Diseases produced by it:**  
A sallow or yellow color of the skin, or yellowish-brown spots on the face and other parts of the body; dullness and drowsiness, sometimes headache; bitter or bad taste in the mouth, internal heat; in many cases a dry, teasing cough; unsteady appetite; sometimes sour stomach, with a raising of the food; a bloated or full feeling about the stomach and sides; aggravating pains in the sides, back or breast, and about the shoulders; constipation of the bowels; piles, flatulence, coldness of the extremities, &c.  
**Is a remedy of Wonderful Efficacy in the cure of diseases of the Kidneys and Bladder. In these Affections, it is as near a specific as any remedy can be. It does its work kindly, silently, and surely. The Relief which it affords is both certain and perceptible.**  
**DISEASES OF THE KIDNEYS AND BLADDER.**  
Persons unacquainted with the structure and functions of the Kidneys, cannot estimate the importance of their healthy action. Regular and sufficient action of the Kidneys is as important, nay, even more so, than regularity of the bowels. The Kidneys remove from the Blood those effete matters which, if permitted to remain, would speedily destroy life. A total suspension of the urinary discharges will occasion death from thirty-six to forty-eight hours.  
When the Urine is voided in small quantities at the time, or when there is a disposition to Urinate more frequently than natural, or when the Urine is high colored or scalding, with weakness in the small of the back, it should not be trifled with or delayed, but Koskoo should be taken at once to remedy the difficulty. Most of the diseases of the Bladder originate from those of the Kidneys, the Urine being imperfectly secreted in the Kidneys, prove irritating to the Bladder and Urinary passages. When we recollect that medicine never reaches the Kidneys except through the general circulation of the Blood, we see how necessary it is to keep the Fountain of Life Pure.

**KOSKOO!**  
Meets with great success in the cure of  
**Diseases of Nervous System.**  
Almost nine-tenths of our people suffer from nervous exhaustion, and are, therefore, liable to its concomitant evils of mental depression, confused ideas, softening of the brain, insanity, &c. These breaking down of the general health. Those suffering from day-to-day broken-down nervous systems, and, unfortunately, tobacco, alcohol, late hours, over-work, (mental and physical), are causing diseases of the nervous system to increase at a fearful ratio.  
The symptoms to which diseases of the nervous system give rise, may be stated as follows: A dull heavy feeling in the head, sometimes more or less severe pain, or headache; Periodical Headache, Dizziness, Noises or Ringing in the Head; Confusion of Ideas; Temporary Loss of Memory; Dejection of Spirits; Starting during Sleep; Bad Dreams; Hesitation in Answering Questions; Dullness of Hearing; Twitching of the Face and Arms, &c., which, if not promptly treated, lead to Paralysis, Delirium, Insanity, Impotency, Apoplexy, &c., &c.
